

Fork Mounted Sweeper

Fork Mounted Sweepers - This accessory makes industrial sweeping tasks a lot easier to finish. The handy lift truck mounted broom is designed for use with either wet or dry material clean ups. It could push snow and squeegee water effortlessly. This particular attachment is frequently used in order to clean garbage from warehouses, construction sites, docks, parking lots and virtually everywhere it is required. The lift truck sweeper is a low maintenance attachment that utilizes quick-tite blade products to easily mount to the lift truck.
