Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning trade. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have over sixty years combined experience with effectively manufacturing, designing, developing, marketing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are dedicated to providing new design concepts and top quality to be able to meet the diverse requirements of their clients.

TREK Cleaning Machines always provides fresh design ideas as proven in their product development. They enjoy offering products that energize both their dealers and their partners and offer production gains to their clients.

The TREK team of staff enjoys new challenges and new tasks. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and requirements together with their comprehension of cleaning applications, together with owners' strong desire to significantly reduce expense through productivity gains.

The staffs at TREK and their dealer-partners are really dedicated to having both parts and technical support accessible when it is required. Their high service dedication is amongst the core values in their customer service. Keeping their customers' cleaning machines ready and running everyday is top priority. The company's top of the line technology delivers dependable equipment that ultimately reduces your cost of cleaning. The price, the service and the product all work together to be able to make them an industry leader.
