

Rockwell Part

Rockwell Part - The business of AxleTech International is a big supplier of specialty vehicle drive-train systems and parts together with off highway vehicles. They take great pride in being a preferred supplier to their customer base. AxleTech strives to exceed and meet their customers' expectations for service, technology, delivery and quality. They believe in working within an environment that encourages the utmost integrity with empowered collaboration, combined with a unrelenting pursuit of results.

AxleTech International is a General Dynamics business. They believe strongly in actively applying principals of environmental stewardship and safety in how they do business. The company has put various programs in place to be able to articulate these values in their business policy. AxleTech happily shares this policy and welcomes interested parties to provide them with whatever comments or questions, as they are glad to promote and share this policy with a greater understanding of their efforts. They are very devoted to improving and preserving the natural environment. AxleTech has an EHS program which not just protects the natural world but which likewise actively protects their staff and neighbors also.

AxleTech prides themselves as being an innovative drive-train solutions provider. They specialize in manufacturing and designing planetary axles meant for both commercial and military applications. These applications range from airport ground support to construction equipment. AxleTech particularly designs axles so as to meet particular application demands. They have more than one thousand various axle specs within their current offering. With over 100+ years of skill and history, AxleTech proudly supplies the most complete solution for whatever of your axle needs. The company is well known in several commercial and military applications. They provide complete axle assemblies for aftermarket replacement requirements, together with servicing axle needs for OE production. Their high mobility ISAS have further details that could be seen in the "ISAS" product selection.
