

American Lincoln Parts

American Lincoln Part - Now associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. Within the industry they are recognized within the business as providing strong and durable machinery which satisfies all the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery-operated walk behind version of floor scrubber along with the Clarke Company who is now also owned by Nilfisk Advance. Their manufacturing operations are primarily based in Springdale Arkansas. These types of scrubbers are available in the market under the brand name "Encore". American Lincoln could supply machines, parts and warranty service for these types of scrubbers which have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like for instance Wal-Mart and Target. The 7765 line has earned the respect of many facility managers where results and efficiency matter. Lately, this particular floor scrubber model has been requested by the architects in various construction projects like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this sweeper scrubber on site because of the model's excellent quality and supreme performance level for polishing concrete.
